Build a cool and comfortable
FARM HOUSE IN A 30 ACRES
of lush green landscape

**60+ FARM VILLA PLOTS
WITH GATED COMMUNITY**

Project Highlights

A luxurious weekend home in a pristine landscape in the countryside.

No more congested spaces. Own a sprawling space and build a lovely farmhouse on it. A pristine piece of land untouched by pollution, trespassing, city smoke, or any such nuisance.

Thick greenery, landscaped areas, party amenities, club games, pools are a few highlights of this holiday home project.

So as a resident, you get to enjoy vacations without leaving your home.

Adequately marked plots are available starting from 22 cents.

Why Forest Breeze

Fast highway connectivity to your farmhouse.

Less than an hour drive from Sarjapur or Electronic City.

High Level of Capital Security and 'NO' to 'Low Level' Risk.

Near to Taluk, municipality & villages with direct access from state highway.

Healthy living space surrounded by greenery which leads to low emission, noiseless environment.

Plenty of water sources with high yield plantation.

Mid-size cliffs, natural stream's beauty, sunset and sunrise view and lot of greenery around the dedicated land which increases well-being.
