

Location Advantages

Mahabubnagar

Connected close to Hyderabad and on the busiest National Highway (Hyderabad-Bengaluru)

Most Ideal Location as sorted by the Government

The highway improves businesses and localities that are adjacent to it

Just around the edge of the city, Mahabubnagar is closest to Hyderabad & yet accessible to people moving to and fro Bengaluru

Massive government infrastructures being built (Flyovers, new offices, bridges, IT hubs etc.)

Lot of Private infrastructures have also been built in recent times such as Shopping-Malls, Multi-Speciality Hospitals, Govt. Offices, International Schools etc.

These Urban Developments are Creating more and more Job Opportunities

This creates a need and demand for residential communities and commercial properties too

Land price has sky-rocketed in the last 5 years itself

Attracting more and more potential investors

NRI customers are more interested in buying property in their hometown itself with great value appreciation

There is also a great demand for rental and leasing in this region

New Integrated Collectorate Office adjacent to our Green County

Zoo Park is being shifted to a massive 1000 Acres at Shadnagar

This is the best time to Invest because the growth is great at bout 100-150% in the next 3-4 years

We deliver premium specifications and best quality of construction.

Gated community living has so many advantages compared to stand-alone buildings

Develops unity in the people and helps children engage in outdoor activities

Gated communities are very safe and secure for the families living there

Giridhari Green County, the 23-acre gated community is huge and is to be better experienced in real

Connectivity Advantage:

Hyderabad, Shadnagar, Jadcherla, Bhutpur, Kosgi, Kodangal, Tandur, Bengaluru
